### Lane Repair Project Planned for December 29th, Expect Delays

(Council Bluffs, IA – December 23, 2015) – The right lane of I-80 westbound/I-29 northbound between the I-80/I-29 Interchange (Exit 4) and 24th Street (Exit 2) will be closed for repairs on Tuesday, December 29th, beginning at 9:00 a.m., weather permitting. Iowa DOT anticipates significant delays could occur, so motorists are encouraged to find alternate routes or follow the posted diversions during this closure. Repairs should be complete by 5:00 a.m. on Wednesday, December 30th.

Iowa DOT is in the process of reconstructing I-80, I-29 and I-480 in the Council Bluffs metropolitan area. This comprehensive interstate redesign will modernize the highway system and improve mobility and safety of approximately 18 miles of interstate. Motorists are encouraged to allow for extra travel time while this interstate improvement takes effect. If you would like more information about detours and traffic impacts visit the program website, [www.councilbluffsinterstate.iowadot.gov](http://www.councilbluffsinterstate.iowadot.gov).
