South Expressway Exit Ramp Closed for 30 Days

(Council Bluffs, IA – July 5, 2017) – The East System Interchange Phase II reconstruction is currently underway and is scheduled to be complete in 2018. On Monday, July 10, construction crews will close the I-80 westbound/I-29 northbound exit to South Expressway (Exit 3) at 6 a.m. The exit ramp will be closed for approximately 30 days while the ramp is connected to the future interstate alignment.

The project includes reconstruction of I-80 westbound, just west of Madison Avenue to South Expressway, including portions of the South Expressway and Madison Avenue interchanges in Council Bluffs. The project also includes the I-80 westbound to I-29 southbound flyover ramp.

Iowa DOT strives to minimize the impact construction has on travel and businesses. For more information or to sign up for alerts, visit the program website at www.CouncilBluffsInterstate.IowaDOT.gov. You can also contact the program office at 712-216-3339 or info@CouncilBluffsInterstate.com.
